Project Hunger is an organization designed to provide food for those who need it and can't afford it. This daunting task is a year round job and through the generosity of the community participating in fund and food raising activities, no one should go hungry. As the economy becomes more difficult, the task will become increasingly important. It is the hope of Project Hunger that you will join us in helping those in need.

Project Hunger is sponsoring the 2nd annual Mud Pit Pulloff, a tug of war designed to stock the pantry for those in need.

Teams from any group or organization are eligible to participate. The size and number of team members that can pull are determined by the amount of help that is provided for the pantry.

For every 100 pounds of pull weight that is provided for your team, the team must donate either 20 pounds of dry goods (i.e. flour, sugar, rice, pasta, etc.) or 1 case of canned goods or 15 dollars.

Weights of participants are determined in 100 pound increments (i.e. a 125 pound person is considered 200 pounds.)

Deadline for entry is:

Wednesday

July 8th, 2009

Admission Fee for Spectators is 2
Canned Goods of Your Choice
